Tentative Program

Day-1 (November 12, 2018)

Clinical Case Reports, Clinical Trails, Clinical Medicine

Title: The use of the Er:YAG Laser-2940 nm- in a laser assisted Periimplantitis treatment and GBR Technique-2018

Presenting Author: Avi Reyhanian, Institute of advanced dental education, Haifa, Israel

Title: DPP 4 Inhibitors in the treatment of Diabetes and their Pharmacology

Presenting Author: Abhishek Raj, Head – R & D, Amol Pharmaceuticals Pvt. Ltd., Jaipur, Rajasthan, India

Title: Botox and Dermal Fillers Use In Dentistry

Presenting Author: Hani Dalati, Health Point Hospital, United Kingdom

Title: Cell Activity in Young Adult Human Autopsy Condyles 18-31 Years: Orthopedic Herbst treatment is an alternative to surgical treatment

Presenting Author: Hans Paulsen, Professor Department of Orthodontics National Dental Health Service of Denmark

Title: Bioceramics as an innovative savior for perforation repair

Presenting Author: Mahmoud Badr, Lecturer of Endodontics, Future University in Egypt

Title: Evaluation of Medicine Distribution, Regulatory Privatisation, Social Welfare Services and Liberalisation

Presenting Author: Abdeen Mustafa Omer, Energy Research Institute (ERI), Nottingham, United Kingdom

Title: Biomarkers directed strategies to treat autism

Presenting Author: Afaf El-Ansary, Central laboratory, Female Centre for Scientific and Medical Studies, King Saud University, Riyadh, Saudi Arabia

Title: Role of Laser in Dentistry

Presenting Author: Mohannad el akabawi, Misr University for science and technology School of Dental Medicine, Cairo, Egypt

Title: Periodontal muscle training can strength the periodontal support, Fit your teeth

Presenting Author: Nima sabzchamanara, Department of Therapeutic Dentistry, Ukraine

Title: Professional Doctor-Patient relationship

Presenting Author: Aref Alabed, International Medical Training Academy IMTA, London, England

Title: An Undergraduate Model Supporting Pathways to Clinical and Medical Science Advanced Education

Presenting Author: Mary jo Parker, Natural Sciences department at University of Houston-Downtown, USA

Title: Effect of Accreditation on Health Care

Presenting Author: Nadia Al-kandary, Criminal Evidence Department, Forensic Medicine Department, Ministry of Interior, Kuwait

Title: Reaping global innovation benefits – clinical pull vs innovation push

Presenting Author: Jackie Oldham, Director MIMIT and Director of Strategic Initiatives, Manchester's Oxford Road Corridor of Interior, Kuwait

Acute Care Nursing, Cardiac and Critical Care Nursing

Title: Preferences to Receive Information about Palliative Care for Adult Patients

Presenting Author: Gail E. Pittroff, Maryville University, United States

Title: I Got My Diagnosis on a Yellow Post-it Note”: Young Adult Cancer Patients’ Experiences of the Process of Being Diagnosed with Cancer

Presenting Author: May Aasebø Hauken, Center for Crisis Psychology, Faculty of psychology, University of Bergen, Norway

Title: Establishing Standards for Intraarticular Stem Cell Injections

Presenting Author: Anna Jarrett, University of Arkansas, United States

Title: Dengue Fever : A Case Study

Presenting Author: Ghada Fouda, Suez Canal university, UAE

Title: Effect of pre-discharge instructions on activity of daily living and functional ability for patients of post spinal cord injury

Presenting Author: Amal Fehr, Rheumatology and Physical Medicine faculty of medicine Helwan University, Egypt

Title: Target temperature management in post cardio-respiratory arrest patients

Presenting Author: Pablo Souto, Nurse, SERGAS, Spain

Title: Hyponatremia in the Hospital

Presenting Author: Ilko V. Ivanov, Hospital Internal Medicine Mayo Clinic Hospital, Scottsdale AZ, USA

Title: Detection of patients’ needs undergoing bariatric surgery

Presenting Author: Antonio Palermo, Ente Ospedaliero Cantonale, general surgery department, Bellinzona, Switzerland

Title: Functional disorders, vascular risks and, malignant diseases

Presenting Author: Mario Ciampolini, University of Florence Florence, Italy(Retired)

Title: Chest radiographs after cardiac surgery: Is one too many?

Presenting Author: Kathryn Smith, New Cross Heart and Lung Centre, Royal Wolverhampton NHS Trust, England

Title: Clinical analysis of pulmonary function after ultra-fast track cardiac surgery in infants

Presenting Author: Li Xiuhong, Shenzhen Children's Hospital, China

Title: Attraversiamo or 'Let's cross over'

Presenting Author: Louise Kavanagh McBride, Letterkenny Insituute of Technology, Ireland

Women Health, Pediatrics Medicine, Family Medicine, Preventive Medicine

Title: Clinical profile and Outcome of pediatric Burn Injuries in the largest Burn center in Ethiopia

Presenting Author: Achamyesh Tadele, Addis Ababa university, Ethopia

Title: Alternative medicine: an intelligent choice

Presenting Author: Larisa Anatolievna Maksimadzhi, Center Bioenergética Care Medicine, USA

Title: Simulation models for Catchment are designed to model the interaction of hydrological

Presenting Author: Salahuddin Azad, University of Information Technology, Quetta, Pakistan

Title: Meditation-the ageless mantra

Presenting Author: Roshni Bajpe, Professor of anatomy, kempegowda institute of medical sciences and research centre, Bengaluru, India

Title: Traumatic Stress Disorder in dentistry daily practice

Presenting Author: Sadek Bakdach, (pediatric Dentist) United States Chicago

Title: Antidote Availability in Saudi Arabia Hospitals in the Riyadh Province

Presenting Author: Abdullah Altamimi, Pediatric Emergency, King Fahad Medical City, Riyadh, Saudi Arabia

Title: Diagnosis and Management of Subclinical Hypothyroidism during Pregnancy: A retrospective Review Study

Presenting Author: Ala Hossein Alshami, Fujairah Hospital, U.A.E

Title: Probiotics as immune modulators

Presenting Author: Aziz Koleilat, Makassed University General Hospital Beirut, Dpt. of Pediatrics, Lebanon

Title: Differential Mechanistic manipulation for eradication of breast cancer via Redox modulation

Presenting Author: Asmaa Mohamed Reda, Zoology Department, Faculty of Science, Benha University, Benha, Egypt

Title: PS exposure of Sickle Cell Disease in Renal Medulla

Presenting Author: Fawwaz Al Shammari, University of Cambridge, Kuwait

Title: Tumor associated antigen as potential vaccine for cancer patients

Presenting Author: Giulio Tarro, President of Foundation de Beaumont Bonelli for cancer research, Naples - Italy

Title:

Presenting Author: Kakha Nadiradze, Georgian ZooTechnical-Veterinary University, Georgia

Title: Immunogenicity of conventional recombinant hepatitis-b vaccine modulated with catfish slime coat mucilage extract in mice

Presenting Author: Parker Elijah Joshua, Medical Biochemistry with Extension to Pharmacology, Nigeria

Title: In vivo study of the antiparkinsonian effect of quercus suber (experimental study in mice)

Presenting Author: Khayra Zerrouki, Department of Nutrition; faculty of Nature and Life sciences-Chlef University, Chlef, Algeria

Title: Psychedelics

Presenting Author: Dustin Marlan, University of Michigan, USA

Title: Evaluating the rate of depression and self-compassion and their associated relationship in cancer patients referring oncology ward of shahid baghaee hospital in Ahvaz, southwest of Iran during 2017

Presenting Author: Yaghoob Madmoli, MSc student of nursing, Student Research Committee, Ahvaz Jundishapur University of Medical Sciences, Ahvaz, Iran

Title: Evaluation of the prevalence of lower limb amputation and its related factors in diabetic patients admitted to Khatam-ol-Anbia Hospital in Shoushtar during the 2015-2016: A retrospective study

Presenting Author: Mostafa Madmoli, MSc of Nursing, Ahvaz Jundishapur University of Medical Sciences, Ahvaz

Title: Attendance at prenatal care and adverse birth outcomes in China: A followup study based on Maternal and Newborn's Health Monitoring System

Presenting Author: Keye Wu, Department of Cardiac Surgery, Shenzhen Children's Hospital, China

Day-2 (November 13, 2018)

Nursing Education & Research, Patient Safety

Title: Minimizing Transition Shock: Preparing Graduates for the Real World

Presenting Author: Judy E Duchscher, Thompson Rivers University, Canada

Title: The Experiences of Nursing Students and Examiners with the Objective Structured Clinical Examination Method in Physical Assessment Education: A Mixed Methods Study

Presenting Author: Wegdan Bani issa, University of Sharjah, UAE

Title: Ambulance Use is Not Associated with Patient Acuity after Road Traffic Accidents: a Cross-Sectional Study from Addis Ababa, Ethiopia

Presenting Author: Yonas Abebe, St. Paul's Hospital Millennium Medical College, Ethiopia

Title: Development and Implementation of an Integrated Simulation Laboratory to Support Entry-To-Practice Preparation and Anxiety in Undergraduate Nursing Students

Presenting Author: Tammie McParland, Nipissing University, Canada

Title: Student Reflections on the Introduction of a Disaster Nursing Course into An Undergraduate Curricula

Presenting Author: Tammie McParland, Nipissing University, Canada

Title: Patient Safety Culture in Kosovo Hospitals Qualitative Research the perspective of health care providers

Presenting Author: Naime Brajshori, Heimerer College Nursing Department, Kosovo

Title: Improving Nursing Care to the LGBT Community

Presenting Author: liz margolies, National LGBT Cancer Network, Newyork, USA

Title: The nursing role in the clinical process: the medical-nursing protocols

Presenting Author: Antonio Palermo, Ente Ospedaliero Cantonale, general surgery department, Bellinzona, Switzerland

Title: Compromised Swallowing: A Rehabilitation Nursing Intervention Program

Presenting Author: Paulo César Lopes Silva, RN, MSc student in the consourse of the University of Évora, Portugal

Title: Vital Signs of Well-Being

Presenting Author: Dina Kruzansky Markind, RN, M.S. in Nursing, CPCC Heart of Well-Being, Danbury, USA

Title: Ability to work of health professionals with and without migrations background in Germany: an observation study with cross-sectional design

Presenting Author: Petrit Beqiri, Nursing Department, Kolegji Heimerer, Kosovo

Title: Attitudes of Patients' Relatives in the End Stage of life about DNR Order

Presenting Author: Mozhddeh Tajari, Kermanshah University of Medical Sciences, Iran

Cardiovascular Health, Surgery & Medical Case Reports

Title: Bee Sting: A Rare Cause of Takotsubo

Presenting Author: Jp.Mishra, Georgetown University, NW, Washington, DC, USA

Title: Bioceramics as an innovative savior for perforation repair

Presenting Author: Mahmoud Badr, Lecturer of Endodontics, Future University in Egypt

Title: Risk Factors Assessment of Coronary Heart Diseases in Diabetics Patients

Presenting Author: Mohamed F. EL-Bab, Helwan University, Cairo, Egypt

Title: Hypnotherapy for Pain Control

Presenting Author: Jeffrey H. Ennis, Department of Rehabilitation Medicine, and Department of Psychiatry and Neurobehavioural Sciences-McMaster University, Hamilton, Ontario, Canada

Title: Lung cancer in a very Young male

Presenting Author: Neusa OVT Lopes, Department of Pulmonary disease, East Timor

Title: Optimizing Acute Coronary Syndrome Evaluation in the Waiting Room

Presenting Author: Andrabi Sara, Baylor College of Medicine, Dept of Emergency Medicine, Houston, USA

Title: Risk Factors Assessment of Coronary Heart Diseases in Diabetics Patients

Presenting Author: Mohamed fathelbab, Helwan University, Cairo, Egypt

Title: Pooling of lupus can "catch" early skin cancerous

Presenting Author: Rahul Hajare, Indian Council of Medical Research, New Delhi National AIDS Research Institute, India

Title: Optical coherence tomography capabilities for early stent thrombosis after primary percutaneous coronary intervention

Presenting Author: Pavel Ermolaev, Omsk Regional Hospital, Russia

Title: Target organ damage and cardiovascular complications of hypertension in low resource setting

Presenting Author: Basden, University of Nigeria, Nigeria

Title: Surgery of cardiac Hydatid cyst: about 29 patients

Presenting Author: Lakehal, Department of heart surgery, Batna University School of Medicine, Algeria

Title: The Effects of Hyperbaric Oxygen Therapy on Cardiac Ejection Fraction in Patients with Heart Failure

Presenting Author: Richard E. Schlanger, Associate Professor of Surgery, Ohio State University, United States

Title: Bedside ultrasonography screening for congenital renal anomalies in children with congenital heart diseases undergoing cardiac repair

Presenting Author: Hussam K Hamadah, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia

Title: Novel Compound heterozygous Mutations of KCNQ1 in Long QT Syndrome with Familial History of Unexplained Sudden Death: Identified by analysis of Whole Exome Sequencing and Predisposing Genes

Presenting Author: Ting Zhao, Department of Cardiology, Interventional Medical Center, China

Title: Polymorphisms in selenoprotein p and s genes: lack of association with metabolic syndrome in subjects with cardiovascular disease in Selenogene study

Presenting Author: Mojgan Gharipour, Isfahan Cardiovascular Research Institute, Iran

Title: Ultrasound for Diaphragmatic Dysfunction in Post-Operative Cardiac Children

Presenting Author: Hussam K, King Saud bin Abdulaziz University for Health Sciences, Riyadh, Saudi Arabia

Title: Role of miR-195 in pressure overload-induced myocardial remodeling

Presenting Author: Shijun Wang, Shanghai Institute of Cardiovascular Diseases, Zhongshan Hospital, Fudan University, China

Title: Redefining the Role of Niacin in the Management of Dyslipidemia

Presenting Author: Joseph Keenan, Department of Family Medicine, University of Minnesota, Minneapolis, Minnesota, USA

Title: Mean Platelet Volume and von Willebrand Factor as Biomarkers for Short-Term Outcomes after Percutaneous Coronary Intervention

Presenting Author: Mahmoud Mahmoud Elrayes, Mansoura University School of Medicine, Egypt

Title: Acute Coronary Syndrome Management in Sudanese Public Hospitals

Presenting Author: Waheeba Siddig Abdalla, Faculty of Medicine, University of Khartoum, Sudan

Posters

Title: Commonly use of Oral Antibiotics Resistance in Children Aged 1 to 12 Years with UTIs a Increasing Problem

Presenting Author: Biswajit Batabyal, University Churu, Rajasthan, India

Title: Single supernumerary tooth - lower incisor at a 12 year old girl

Presenting Author: Fatbardha Mustafa, McGann Postgraduate School of Dentistry

Title: Hypoglycemia incidence in patients with DKA/HHNKS managed with Insulin Infusion Protocol as compared to computer based algorithm

Presenting Author: Ghassan Philip Sayegh, Orange Regional Medical Center

Title: Motivational status and associated factors among jimma university specialized hospital health professional, south west ethiopia

Presenting Author: Mesfin Beharu, Faculty of health Sciences, Jimma University, Ethiopia

Title: Adaptation of the FVSQ questionnaire and HDDA Scale to the visual and hearing dependent activities of older people living in Galician nursing homes

Presenting Author: María Covadonga Vázquez, University of Santiago de Compostela, Spain

Title: The relationship between team building practice in nursing and team climate for innovation

Presenting Author: Mami Onishi, Juntendo University, Japan

Title: Improving the solubility and masking the taste of Ibuprofen using smart particles

Presenting Author: Mohamed Sayed Ahmed Mahmoud El-Beltagy, Molecular Biologist and Virologist at Children's Cancer Hospital Egypt

Title: Quality Improvements Evaluation of Buprenorphine-Naloxone clinic in Comprehensive Integrated Pain Program

Presenting Author: Nivan Zoheiry, University Health Network, Toronto, Canada

Title: Antibiotic lethal effect

Presenting Author: Walaa Fikry Elbossaty, Faculty of science-Damietta, Egypt

Title: Bacteriological Profile And Reistance Patterns Of Blood Culture Isolates In Paedriatic Patients At Srinagar, Kashmir, India

Presenting Author: Wani Kaiser, G B pant Children Hospital, Sonawar, Srinagar, India

Title: The Effect of Family-Center Empowerment Model in Patients adherence after open heart Surgery

Presenting Author: Sara Naeemy, Nurse in Moheb hospital, Iran

Title: Lessons from "Lehiwot Menor" Radio Show and Its Opportunities for Teaching Emergency Medicine to the Public in Ethiopia

Presenting Author: Yonas Abebe, St. Paul's Hospital Millennium Medical College, Ethiopia

Title: A putative role for oxidative stress in pathophysiology of diabetic cardiomyopathy

Presenting Author: Mohamed fathelbab, Helwan University, Cairo, Egypt

Title: Antidiabetic effect of saharian honey from Algeria in streptozotocin-induced diabetic rats

Presenting Author: Faiza Attari, Mostaganem University, Alg

Title: Palatal rugae can be used as a reliable marker for identification of humans residing in the Northern Kingdom of Saudi Arabia

Presenting Author: Farahnaz Muddebihal, Jouf University - Sakaka, Saudi Arabia

Title: Clinical applications of magnesium hydride hydrolysis

Presenting Author: Chung Hsing Chao, Ta Hwa University of Science and Technology

Title: To evaluate of the Effect of Dexmedetomidine infusion on outcome of COPD patients on non-invasive ventilation

Presenting Author: Vipin Kumar Singh, Department of anesthesiology, KGMU, Lucknow, India

Title: Oral bisphosphonates use and the Risk of Female Breast, Ovarian and Cervical cancer

Presenting Author: Ye Seul Bae, Seoul National University Hospital, Seoul, Republic of Korea

Title: The consumption of narcotic drugs from a rescue worker's point of view in the slovak Republic

Presenting Author: Ivana Argayová, The University of Prešov, The Faculty of Health Care?, Slovak republic

Title: Clinical questions of EBP among critical care nurses

Presenting Author: Lee Mi Young, Seoul National University Hospital. South Korea

Title: Accessible Information for Mental Health Service Users

Presenting Author: Hana Barzinji, University of Manchester, United Kingdom

Title: Cecal intubation time, colonoscopy

Presenting Author: Kim, Hyunyoung, Seoul National University Bundang Hospital

Title: Trismus exercise intervention in head and neck cancer - a three-year follow-up after

Presenting Author: Caterina Finizia, Sahlgrenska Univeristy Hospital, Sweden

Title: Estimating the photoprotective ability of lichen extracts on biochemical processes in blood under the influence of UV- radiation in vivo

Presenting Author: Sergey Goncharov, Institute of Radiobiology of National Academy of Sciences

Title: An- comparison of preoperative and postoperative evlt images by duplex ultrasonography and 3-dimensional act

Presenting Author: Wongon, Kim, Seoul National University Bundang Hospital

Title: No Abstract

Presenting Author: Shekoofeh Shaykhian, Faculty of dentistry, Shiraz university of medical science

Title: Changes in urine composition associated with Schistosoma haematobium

Presenting Author: Nabil Mogalli, Biology Department, Hajjah University, Yemen

Title: Mechanisms of prenatal effects of caffeine in rats: involvement of nitric oxide

Presenting Author: Valentina Bashkatova, Laboratory of Reinforcement Physiology, P.K. Anokhin Research Institute of Normal Physiology

Title: Surgery of cardiac Hydatid cyst: about 29 patients

Presenting Author: Lakehal, Department of heart surgery, Dr Djaghri Mokhtar, Algeria

Title: Assessment of immune status of patients with ischemic heart disease, who underwent CABG surgery under artificial circulation

Presenting Author: Vladimir Zemskov, Department of Research and Development (R&S) at Facecontrol, Inc., Miami, Florida, United States

Title: Phonocardiography in a Cardiology Room

Presenting Author: Jaime A. Granados Samaniego, Universidad Autónoma Metropolitana, Mexico

Title: Echocardiographic evaluation of left ventricular function after coronary artery angioplasty, Morocco

Presenting Author: Hadi Abdelali, Centre hospitalo-universitaire Med VI Marrakech, Morocco

Title: Calcium salt administration for circulatory shock due to severe hyperkalemia

Presenting Author: Zohair Al Aseri, Departments of Emergency Medicine and Critical Care 19/8/18

Title: Estimation of cytokine status of patients with metabolic syndrome

Presenting Author: Farida Nildibayeva, Department of Internal diseases, Karaganda State Medical University, Kazakhstan

Title: Sensorineural hearing loss in patients with chronic renal failure on hemodialysis in Basrah, Iraq

Presenting Author: Ahmed Al Abbasi, Department of Surgery, College of Medicine, University of Basrah, Basrah, Iraq

Title: A comparative analysis of two models of training in nursing education

Presenting Author: Ada Rusticali, Department of Surgery, San Bassiano Hospital (ULSS n.7 Pedemontana), Bassano del Grappa VI, Italy

Title: Effectiveness of structured models of nursing handover for ensuring continuity of information in hospital

Presenting Author: Ada Rusticali, Department of Surgery, San Bassiano Hospital (ULSS n.7 Pedemontana), Bassano del Grappa VI, Italy

Title: Educational interventions for urinary ostomates

Presenting Author: Ada Rusticali, Department of Surgery, San Bassiano Hospital (ULSS n.7 Pedemontana), Bassano del Grappa VI, Italy

Title: Analysis of circulating small non-coding RNA in women with preeclampsia: Predicting microRNAs as early markers of the disease

Presenting Author: Deeba Shamim, Department of Medical Biochemistry, College of Medicine and Medical Sciences, Arabian Gulf University, Bahrain

Day-3 (November 14, 2018)

Medical Biochemistry, Microbiology and Metabolomics

Title: Phenotypic and Genotypic detection of carbapenemase enzymes producing gram-negative bacilli isolated from patients in Khartoum state

Presenting Author: Reem AbdElmoniem Dahab Khalil, University of Medical Sciences and Technology, Sudan

Title: Metabolic Competition and Comfort: Perspectives for the Use of The Free Amino Acids Regulatory Actions in Endogenic (Physiological) Concentrations

Presenting Author: Pavel Karavay, Grodno State Medical University, Belarus

Title: How Gut Microbiota Modulate Cancer Immunotherapy

Presenting Author: Sermin Tetik, Marmara University, Faculty of Pharmacy, Department of Biochemistry, Istanbul, Turkey

Title: Analysis of simple model of mitochondrial swelling dynamics induced by Ca²⁺ ions

Presenting Author: Vladimir Makarov, University of Puerto Rico, Rio Piedras Campus, San Juan, USA

Title: Mechanism of light energy transport in the avian retina

Presenting Author: Vladimir Makarov, University of Puerto Rico, Rio Piedras Campus, San Juan, USA

Title: Antioxidant and antidegradative effects of ethyl acetate extract of terminalia arjuna root on hcb induced liver carcinogenesis in female albino rats by using histological studies

Presenting Author: Ramesh R, Assistant Professor, Department of Biochemistry, Marudupandiyar Arts & Science College, India

Title: Oil-in-water emulsions stabilized by regenerated chitin: stability, structure and in vitro digestion profile

Presenting Author: Shen Qu, Tongji University Shanghai, China

Title: Antimicrobial resistance in Staphylococcus aureus isolated from mastitic cases

Presenting Author: Sehrish Firyal, UVAS Pakistan

Title: Effect of chlorhexidine and sodium hypochlorite on Staphylococcus aureus biofilm

Presenting Author: Wala A Abdallah, Medical Laboratory Science-Microbiology, Alzeaim Alazhari University, Sudan

Title: Antimicrobial Resistance

Presenting Author: Hafiz faisal imtiaz, World Health Organization, Pakistan

Title: On a Quest to Reduce Distress: Best Practices in Hospital Ethics Consultation and the Role of Nursing

Presenting Author: Yelena Burklin, Emory University, United States

Title: Knowledge, practices, and attitudes of Hand hygiene among university nursing and optometry undergraduate students

Presenting Author: Janitha Plackal Ayyappan, University of Buraimi, Oman

Title: The computerization of abcdef bundle: a feasibility pilot study of a nurse led web-based database

Presenting Author: Fabio Turla, Department of Anesthesia, Critical care and Emergency Medicine Spedali Civili University Hospital Brescia, Italy

Title: Evaluation of the performance of nursing students in a simulated scenario of acute coronary syndrome with st-segment elevation

Presenting Author: Pablo Souto, Nurse, SERGAS, Spain

Title: Facilitators and barriers of patient centered care practice in public hospitals of benishangul gumuze regional state, south west ethiopia

Presenting Author: Mesfin Beharu, School of Nursing and Midwifery, Institute of health, Faculty of health Sciences, Jimma University, Ethiopia

Title: Utilization of kangaroo mother care (kmc) and influencing factors among mothers and care takers of preterm /low birth weight babies in yirgalem twon, southern, ethiopia

Presenting Author: Dubale Dulla, Midwifery, Hawassa University, Ethiopia

Title: Kite or Ponseti Method for Clubfoot treatment?

Presenting Author: Arben Gjonej, Service of Orthopedic and Trauma , University Trauma Center Tirana, Albania

Title: Nursing care initiatives related to pain management in perioperative care

Presenting Author: Senay K. Arli, Department of Nursing, Agri Ibrahim Cecen University, School of Health, Agri, Turkey

Title: Optimizing communication during patient HandOver using the SBAR technique: An observational study based on an analysis of 738 check-lists

Presenting Author: Claudio Buttarelli, Dept. of Surgery (IV Chirurgia), Specialized Regional Center of Hepato-bilio-pancreatic surgery, Italy
