2nd World Congress & Expo on Pharmaceutical Sciences & Research

JUNE 25-27, 2018
DUBAI, UAE

Conference Secretariat
BioCore Group, 3409 Grove Gate CT, APT-1712, Richmond-23233, Virginia, USA
Phone: +1-425-605-2667
Email: phrma2018@biocoreconferences.org
Biocore extend a warm welcome to the distinguished speakers, Pharmaceutical Industries, Virologists, Microbiologists, Health Care Professionals, Bacteriologists, Epidemiologists, Virology Associations and Societies, Experts and Delegates involved in Virology & Bacteriology from all over the world to attend the World Congress during November 12-14, 2018 Rome, Italy.

This event will focus on various important disciplines of pharmaceutical sciences. This conference will have a variety of plenary lectures, session lectures and poster presentations, Scientific Exhibitions, Panel Discussions, and the B2B meetings with world renowned speakers, pharmaceutical professionals, medical and clinical professionals and leading specialists involved in the field of pharmaceutical sciences and research.

This conference designed to provide a strong platform for Academic, Industrial Leaders, Business and Financial Executives to make experience exchanges around the world. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

Pharma 2018 aims to provide a challenging forum and vibrant opportunity for researchers and industry practitioners to share their original research results and practical development experiences on specific new challenges and emerging issues.

Regards,

Pharma 2018
Organizing Committee Members

Biocore Journals

Biocore is a global open access publisher which mainly focuses in all the elements of life sciences, medical research, chemistry, technology and management. Biocore is formed solely for exploring the scientific community with a good understanding of the different scientific achievements with a single click from any part of the world. Biocore has been involved the knowledge on Science & technology to the access way of every individual.

Biocore committed to make genuine and reliable contributions to the scientific community by launching high quality and highly informative journals. Our updated journal database will give you access to the cutting-edge information and research in the world. Biocore makes sure that you get your fingers on the extensive collection of scientific journals and research material, and are ready to keep yourself updated with the latest information in the world of academia.

Biocore motto is to give the human era with better future. This can be achieved with our renowned editors, authors and reviewers with their exchanged views and knowledge. Biocore encourages original and well researched articles for publication. Biocore is going to conduct Scientific Conferences in near future for grouping all the eminent personalities in one lane.

Selected Contribution will be published in the International Journal of Pharma Sciences and Scientific Research

Biocore Conferences

Biocore Group involves in organizing International Conferences after the successive Journal ventures. The main aim is to give the Scientific Community with major exposure to all the areas of the Science and Engineering. Biocore conferences covers a broad range of research in the Science, Technology, Medical, Pharma, Clinical and Engineering.

Biocore Conferences will be well planned and the program structure will design in a healthy manner. Our aim is to provide a platform for scientific researchers, educators, scientists, students, resource persons and practitioners to come together and share their research findings with the scientific world which helps to improve sharing of knowledge and easy access to scientific information, between businesses and scientific professionals.

Biocore Conferences Special Features

- Plenary Sessions
- Keynote Presentations
- Oral & Poster Presentations
- Panel discussions & interactive sessions
- Chance of B2B meeting
- Listeners’ friendly conferences
- Pre-Conference Workshops
- Dedicated exhibit hall hours
• Membership desk at conference venue
• Great Networking opportunities
• Exhibitions and Trade Fairs
• Opportunity to organize Workshop/Symposium
• Renowned speakers and scientists across the world
• Special privileges on group registrations

Conference Publication

All submitted conference papers will be blind peer reviewed by three competent reviewers. The conference abstracts and proceedings book, certificate of presentation will be distributed to the conference participants at the conference registration desk. The post conference proceedings will be abstracted and indexed in the respective Biocore Journals and submitted to be indexed in the Google Scholar, J-Gate and ICMJE. Each abstract will receive a DOI provided by Cross Ref. The registration fee includes the publication of one accepted paper of up to 6 pages in the conference proceeding.

Please submit your queries by email to: pharma2018@biocoreconferences.org

or

contact@biocoreconferences.com
**Benefits of Attending**

- The conference gathers together researchers and professionals from the field of pharmaceutical sciences which allows them to share their research results, innovative ideas and practical experience.
- Participants have the opportunity to link with experts from all around the world and thus become part of a unique scientific community.
- Exchange ideas and network with leading world class scientists and decision makers.
- The conference will feature a commercial exhibition and poster sessions.
- Participants can gain direct access to a core audience of Pharma, medical and health care professionals.

**Who Should Attend**

- The conference will attract scientists and senior international decision makers.
- Delegates will have a valuable, informative and positive experience.
- Pharma and medical professionals, health care professionals and leading specialists involved in the field of pharmaceutical Sciences, Scholars from Pharmaceutical backgrounds, PhD Scholars, Drug Delivery Technology Manufacturers, Business Development Managers, Distributors and Suppliers of Drug Delivery Technologies Students, Professors, Researchers, and Faculty of Pharmaceutical Sciences from Universities and Medical Colleges Researchers from Pharmaceutical Companies, Pharmacy Associations and Societies, Health professionals, Pharmacists, Business development professionals, Consultants and Pharma service providers, Quality control specialist Graduates and post graduates in industrial pharmacy, Medical Devices Manufacturing Companies, CRO Data Management Companies. Pharmaceutical legislators and regulators
Submission Guidelines

Abstracts must be submitted on the understanding that they have not been presented elsewhere the submitting speaker should ensure that the abstract publication has been approved by all other coauthors. All abstracts must be written exclusively in English (including the title, abstract text, author names and affiliations). Please provide the presenting author’s contact details including full mailing address, office phone number, email address and fax number. Name(s) of presenting author and co-authors: first name(s) or initials of first name(s), family name (e.g. Jason Wong or J. Wong). Affiliation details of all authors: Department, institution/hospital, city, state (if relevant), country.

Poster

The students and postdoctoral fellows are invited to present their work in the poster session during the conference. Poster sessions will be scheduled on all the 3 days of the conference. How much time presenters spend with their posters is up to them. The presenting author should be present during the assigned session. Put your poster up at least 30 minutes prior to the start of the poster session. The presentation time and date will be scheduled in the programme 60 days prior to the conference. Poster Size should be 3ft (width) x 4ft (height). All the material necessary for attaching the poster like push pins, sticky tapes and poster board are available at the Facility Desks in the respective poster area.

How to Submit

Submit your abstract online at https://biocoreconferences.com/pharma2018/abstract_submission.php (or) Email to: pharma2018@biocoreconferences.org

Registration Fees

All participants (whether presenting or not) are required to register for the Conference. The registration fee includes lunch and 2 coffee breaks. It does not include accommodation and travel expenses. You can now register for the Virology 2018 conference on the following link. https://biocoreconferences.com/pharma2018/online_registration.php

About City

Dubai is one of the seven emirates that make up the United Arab Emirates on the Arabian Peninsula and is one of the wonders of the modern world. It is located on the southeast coast of the Persian Gulf and is one of the seven emirates that make up the country. The city of Dubai is located on the emirate’s northern coastline and heads up the Dubai-Sharjah-Ajman metropolitan area. Dubai has emerged as a global city and business hub of the Middle East. Dubai having expanded along both banks of the Creek, Dubai is divided into two parts Deira on the northern side and Bur Dubai to the south, as well as the top tourist destination of Jumeirah. Dubai is preserved some of the most intriguing historical attractions.

Attractions & Landmarks

• Burj Khalifa (12.0 MI)
• Dubai Mall (12.0 MI)
• Gold and Spice Souk (3.2 MI)
• Al Mamzar Beach (7.4 MI)
• Mall of Emirates (23.0 MI)
• Palm Jumeirah (32.0 MI)
• Festival City (8.0 MI)
